

Cockeysville Precinct Crime Prevention Alert

Commercial Burglaries

Dear Community Member,

Since the first of May 2018, there have been several business/commercial burglaries in the Cockeysville Precinct. The businesses that have been attacked are located between Shawan Road and 695 along the York Road corridor. Most incidents occurred in the late afternoon or evening hours. The businesses targeted vary ranging from barbershops, automotive shops, food establishments to office settings.

Please make sure that you are checking all windows and doors before leaving for the day. Also, don't forget that we conduct free Security Assessments of your business and homes. The assessments take approximately one hour to complete and we discuss a comprehensive plan to better secure your property.

*Thank you,
Cockeysville Precinct / Community Outreach Team

We also offer **Free Home Security Surveys** where an officer will respond to your home and share ideas and suggestions on ways to make your home more secure.*
